

Teddy Bear Day Care is a non-profit, non-denominational child care organization that has been offering quality care for over two decades. We are pleased to be offering Full Day Kindergarten (FDK) extended day program and before and/or after school care in your school during the school year, including PA Days and holidays, as well as throughout the summer months.

- Hours of operation Monday-Friday 6:30am-6:00pm
- We are closed during statutory holidays. Child care is available during regular school holidays (ie. PA Days, Christmas Break, March Break and through the summer months)
- Our FDK/SACC programs offer flexible care based on your schedule
- Morning and afternoon snack are included in your child care fees. During PA days and holidays, you supply a nut-safe, "brown-bag" lunch, and we supply milk for the lunch time meal.
- Child care rates vary depending on the number of days used per week
- We are licensed for children 18 months to 12 years.
- Child care subsidies are available through the City of Greater Sudbury, Children Services Division.
