THE SCHOOL DAY

The school's main office is open from 7:30 a.m. to 3:30 p.m. The school day begins with homeroom and students are considered late if they arrive late for homeroom (after 8:05 a.m.). The homeroom period is essential for distribution of information to students and for attendance. It is at this very important time that the daily prayer is recited and the national anthem is played. It is expected that ALL students attend homeroom.

Marymount Academy Code of Conduct

School Policies, Procedures, Programs and Services

Marymount Academy is committed to serving staff, students, and families in its diverse Catholic community by incorporating the principles of equity and inclusive education into all aspects of its policies, programs and practices.

Religious Studies

Within the framework of our gospel values and traditions, we will attempt to provide reasonable accommodation for students' religious beliefs and practices, while also protecting our denominational rights.

Religious Education is not meant to be found in the religion class alone. Catholic values and virtues permeate the school and touch the students in all their classes. Each subject is taught with these values and virtues in mind. Liturgical celebrations, retreats, and community service are all integral to the life at Marymount Academy. The Ontario Catholic Graduate Expectations are used in lesson planning in all subject areas.

Student Activity Fee

A student activity fee of \$40 will be collected from each student during the first week of September. This fee is used to subsidize student activities during the course of the school year. It includes such things as the student card, student agenda book, awards, student activities sponsored by the Students' Council and the Girls' Athletic Association, and various other club events held throughout the school year. To the \$40 activity fee we add the cost of the yearbook for a total of \$75.00. Yearbooks are prepared and ordered during the previous school year and are handed out to all students in the early fall. Families with more than one daughter at Marymount will receive a reduction in fees: 2 daughters \$120; 3 daughters \$160. Families who require financial assistance in this regard are asked to contact the Principal or Vice-Principal.

School Uniform

The tradition and spirit of the dress code has been an integral part of Marymount Academy's proud history since 1956. All students attending Marymount Academy must be in full uniform while on school property and while representing Marymount in the community at large. The expectation is that the school uniform will be worn proudly and neatly. As well, parents are asked to support the school in affirming this policy. A student will not be admitted to class if she is not in proper uniform. If a student is not admitted to class, she will be responsible for all work missed.

R.J. McCarthy Ltd. is the official uniform supplier for Marymount Academy. The store is located at 300 Lasalle Blvd. in Sudbury and it offers students an excellent variety of fashionable uniform items. **All uniform pieces must be purchased at R.J. McCarthy.** The physical education uniform can be purchased at the school.

GRADUATION

A student must be eligible to graduate in June in order to participate in the grade 12 graduation ceremonies (i.e. have completed the required community service hours; have successfully passed the OSSLT; have accumulated the necessary credit requirements; have no outstanding library late fees; etc.). Special circumstances will be considered by the faculty's graduation committee. Decisions are final.

OSSLT – ONTARIO SECONDARY SCHOOL LITERACY TEST

Provincial legislation requires that all students take the Ontario Secondary School Literacy Test (OSSLT) in grade 10. Students must pass the OSSLT in order to graduate. All teachers and staff at Marymount Academy are dedicated to ensuring that all students receive the necessary preparation and guidance to successfully achieve the OSSLT. Students who do not complete the test successfully will be re-tested in grade 11.

COMMUNITY SERVICE

All students must complete a minimum of 40 hours of unpaid community involvement activities before graduating from secondary school. This requirement is in addition to the 30 credits needed for a secondary school diploma. Students will be able to choose their own community involvement activities, within guidelines that will be provided by the school. Students will be responsible for fulfilling this requirement on their own time, keeping a record of their activities on a form supplied by the school and submitting the form to the main office. For instance, an ideal activity would be donating time to a non-profit agency or charitable organization. It is important to note that in accordance with the Ministry of Education, an ineligible activity is an activity that:

- Is a requirement of a class or course in which the student is enrolled
- Takes place during the school day (however, an activity that takes place during a student's lunch break or study period is permissible)
- Would normally be performed for wages by a person in the workplace
- Does not take place at a parent's business or place of work
- Consists of duties normally performed in the student's home (i.e. daily chores, etc.)

Students are encouraged to check with the guidance counsellor before completing any community service hours to be sure that they meet the requirements.

STUDENT COURSE LOAD AND STUDY PERIODS

Students must have a full timetable (i.e. 4 courses) each semester. Students in grade 12 who have achieved 24 credits by September may be considered for one study period in each semester.

ASSESSMENT AND EVALUATION

The Sudbury Catholic District School Board has developed two assessment policy documents entitled: Effective Elementary Assessment and Evaluation Classroom Practices (2006) and Assessment and Evaluation Guidelines, Secondary Schools (2003) These are used to guide assessment and evaluation practices at Marymount Academy.

Assignment deadlines: Students will hand in all assignments by the established due date. This can be accomplished by using good time management skills. Using this agenda to record all assigned work is a simple and effective technique that should be practiced by all students. If a student cannot meet the deadline because of exceptional circumstances, the student must consult with the teacher before the due date. (SEE “Marymount’s late and missed assignment policy on page 11 for more details.)

Missed Tests: A student who is absent for a test will write the test on the first day she returns, unless other arrangements have been made between the teacher and the student.

Suspensions: Students who have been suspended from school are not given a mark of zero for missed tests or assignments, but are given an opportunity to make up missed work upon their return. Students must make these arrangements with their teachers.

ACADEMIC DISHONESTY

At Marymount Academy, academic integrity is paramount in all programs. Academic integrity means that all assignments, tests, exams, reports, and other academic efforts are solely the product of the student. Students must assume responsibility for maintaining an honest position in all work submitted to teachers. There are a number of ways in which academic integrity is violated:

Plagiarism: Plagiarism is defined as the presentation of another’s words or ideas as you own. Plagiarism is wrong and will not be tolerated at Marymount Academy. To avoid plagiarism, every direct quotation must be identified by quotation marks, and it must be properly cited. Likewise, any material retrieved from another source (such as a printed or electronic medium) that is paraphrased or summarized in one’s own words must also be properly acknowledged.

Cheating: Cheating is the use of inappropriate materials, information, or study aids in an academic exercise such as a test or examination. The use of books, notes, and calculators, as well as conversations with others, is restricted or forbidden in certain academic exercises. Their use constitutes cheating. In addition, students cannot submit identical work or portions of it for assessment in two different courses. This is known as “dual submission.”

Fabrication: Fabrication is the falsification or invention of information or citations in an academic exercise. For instance, invented information, or “fudged data”, may not be used in laboratory experiments or other academic exercises.

Facilitating Academic Dishonesty: Students who knowingly or negligently allow their work to be used by other students or who assist others in academic dishonesty are in direct violation of this policy.

Consequences of Academic Dishonesty: Any violation of academic honesty is a serious offence and is, therefore, subject to specific consequences.

- 1st offence=zero on the assignment
- 2nd offence=zero on the assignment and a full day detention
- 3rd offence= zero on the assignment and a full day suspension
- 4th offence= zero on the assignment and an extended suspension

Marymount Academy’s late and Missed Assignments: Grades 9-12 School Policy

This school policy on late and missed assignments reflects the direction of the Sudbury Catholic District School board’s APG (Administrative Procedures and Guidelines #SS03) and the Ministry of Education’s *Growing Success* document 2010. This policy explains the responsibilities of the students. Teachers will follow the directives set out in the SCDSB’s APG #SS03 and the Growing Success document.

Students are responsible for their behaviour in the classroom and school, but also for providing evidence of their achievement within the time frame specified. Submitting assignments on time allows the teachers to provide timely feedback to students regarding how to improve their work in order to be successful in future assignments. It helps students to stay on top of things and not fall behind. As well, it gives teachers a timely understanding of the students’ progress and learning in order to ensure student success. By managing time wisely and effectively, students learn the valuable life skills of respecting deadlines at school, at work and in life. There will be progressive consequences for not completing assignments or for submitting those assignments late.

Sometimes there are mitigating circumstances that may need to be considered. It is imperative that students and parents communicate such circumstances to the teachers promptly.

Absence is not an excuse for submitting work late. Assignments can be submitted electronically (email to the school at schl201@scdsb.edu.on.ca or fax at (705) 674-5619) or brought in by someone else.

The following steps outline the progressive consequences for not completing and submitting assignments on time.

Step One

Student fails to submit assignment on day specified (One day Late)

Teacher gives a verbal warning and records infraction

Student has 24 hours to submit the work

If new deadline is met, progressive consequences end here

If new deadline is not met, proceed to Step Two.

Step Two

Student fails to submit assignment. (Two days late)

Student completes the Marymount Academy Late Assignment Contract Form in consultation with the teacher, whereby a new due date is established. The contract must be signed by teacher, student and parent/guardian.

Step Three

- A) The student fails to hand in the contract signed by her parents. The teacher contacts the parents.
- B) The student fails to submit the assignment by the new due date specified in the contract. Parents are contacted. The student's assignment mark is reduced by 2% per day late starting on this day to a maximum of 10%. Should the assignment not be submitted after the 10% loss, the student will have a meeting with the vice-principal and/or the principal to be given further consequences (for example: in school detentions, loss of privileges, etc.)

Step Four

A mark of zero will be considered by a panel of 3 faculty members (2 teachers and one school administrator). The student will then be notified regarding the panel's decision within 24 hours.

Ontario Catholic Graduate Expectations (CGE) & the SCDSB's Virtues

Program: Catholic values and virtues are infused in every subject area. The teachers use the school board's Virtues Program and the CGEs to help every student become:

- a discerning believer formed in the Catholic faith community
- an effective communicator
- a reflective and creative thinker
- a self-directed, responsible lifelong learner
- a collaborative contributor
- a caring family member
- a responsible citizen

Sisters in Spirit (S.I.S.) BIG SISTER/LITTLE SISTER PROGRAM

The S.I.S. Program is designed to give our junior students from grades 7 to 9 a smooth and comfortable transition into the Academy. Each new junior student is assigned a senior student to act as her own "Big Sister" within the school. If

the junior student has any questions or concerns about the posts, clubs, events, or the school, she can go to her Big Sister for answers. At the beginning of the year of the year, in particular, special meeting times are set aside for a gathering to help foster the relationship between Big Sisters and Little Sisters.

LIBRARY SERVICES

The school library is available to students throughout the day, including lunch. The library technician provides assistance to students who wish to research, access, locate, or select books and information. All students are encouraged to respect the library, its resources and the others who are using it. The library is a place for quiet reading, study, and research. The library is available to students from 8:00 a.m. to 3:00 p.m. Books may be borrowed for a period of three weeks. Students who borrow books are expected to return them by the due date, in good condition. Late fees apply. Food, beverages and cell phones are not permitted in the library at any time.

CAFETERIA

Cafeteria services are provided by Chartwell's Inc. They provide a varied menu that caters to the nutritional needs of our staff and students. Students must eat lunch in the cafeteria, as food and drinks can only be consumed in the cafeteria. Grade 12 students are permitted to eat in the gallery as long as they respect this privilege and keep the area clean and safe.

BREAKFAST/SNACK PROGRAM

Students are welcome in Room 411 every morning from 7:45 a.m. to 8:05 a.m. for a nutritional breakfast/snack.

STUDENT RESPONSIBILITIES

Marymount Academy concerns itself with the spiritual and moral development of its students, as well as with their academic success and physical wellbeing. We encourage our students to integrate traditional Catholic values into their lives and to establish a commitment to the ideals of Christ's teachings. In order to foster growth, a guideline of student responsibilities has been developed. This guideline reflects a philosophy of mutual respect and clearly outlines a student's rights and responsibilities. It is a positive document designed to build sound character.

ATTENDANCE

Regular attendance is one of the most important factors in ensuring a student's academic success. The administration and staff at Marymount Academy are committed to the safety and security of our students at all times. Therefore, we have a stringent attendance policy and procedure in place. We urge parents and guardians to cooperate and support us in this endeavour.

Attendance is taken each morning during homeroom and it is also taken in each period during the school day. Students are expected to be punctual and attend all classes listed on their timetable. Students are also required to attend assemblies, masses and special functions held during the year.

Procedures for Absent Students

Parents or guardians are asked to contact the school at 705-674-4231 as soon as possible to let us know that their daughter will be absent. If a student is absent and a phone call from the parent or guardian is not made to the school, the parent or guardian will be contacted. If the school has not heard from the parent or guardian on the day the student is absent, the student **must** produce a note from the parent or guardian upon returning to school to the attendance secretary. **All notes are kept on file.**

Procedures for Students Who Are Late

Lateness interferes with classroom instruction and it exhibits a lack of consideration for the teacher and other students. Students must be on time for homeroom, classes and special events. Chronic lateness will not be tolerated.

Students who arrive to homeroom after 8:10 a.m. are considered late. Students will not be admitted to class if lateness continues. Disciplinary measures will be imposed. Students who arrive late must report to, and sign-in at, the office to receive an admit slip.

Students who are late for class must report to the office for an admit slip. Students will not be admitted to class if lateness continues. Disciplinary measures will be imposed.

Please note that grade 12 students may, at the discretion of the vice-principal; be permitted to sign-in during their study period if it is scheduled period one. Students must see the vice-principal to make this arrangement.

LEAVING DURING THE SCHOOL DAY

Appointments

If a student must leave school during the day (e.g. doctor's appointment), the student must come to the office before homeroom and present a note from her parent or guardian explaining the reason for the early dismissal. The student will be issued a yellow "excuse slip" that she will present to her teacher when she has to leave. If the student does not present a note from her parent or guardian, the student must attempt to contact them at work or at home. When the student returns to school, she must sign in at the office before going to class. **UNDER NO CIRCUMSTANCES MAY A STUDENT LEAVE THE SCHOOL WITHOUT AUTHORIZATION.** The above procedures must be followed.

Illness

A student who becomes ill during the school day must report to the office. If the student is too ill to remain at school, the parent or guardian will be contacted and arrangements will be made for the student to leave.

Leaving School Property

Grade 7, 8, 9 and 10 students, regardless of their age, are not allowed to leave school property during the school day without proper authorization. Senior students in grades 11 and 12 may leave school property at lunch time, or during their study period, providing they have a note from a parent/guardian, and that they sign in and out at the main office.

Sign In/Sign Out Privileges

Students who are in grade 12 and are at least 18 years of age qualify to apply for Sign In/Sign Out Privileges. These privileges apply only for legitimate reasons such as illness or medical appointments. Students who miss class for any other reason will be considered truant and will be dealt with according to school policy.

Backpacks, Purses and Bags

Due to safety reasons, backpacks, purses, and other forms of baggage are not allowed in the classroom or in the halls.

Eating and Drinking

Students are not permitted to bring food or drinks to class. Food and drinks can only be consumed in the cafeteria and gallery.

Examinations – Secondary Panel

Most courses require students to complete a final evaluation in the form of an examination. Our formal examination period takes place at the end of each semester and they are normally scheduled over a period of 5 days. Normally, thirty percent of the course grade will be based on the exam mark. All students are required to write final exams. The only valid excuse for missing an exam is serious illness supported by a physician's note. Taking a vacation, early summer job placement and so on is not considered valid excuses for missing an exam.

Excursions and Field Trips

Excursions and field trips are valuable learning experiences and are an important part of the school program at Marymount Academy. In all situations, school rules and policies apply. Uniforms must be worn, unless the nature of the activity requires different clothing.

Signed parent/guardian permission forms for all excursions and field trips must be given to the homeroom teacher before the day of the event. Should a student

lose her form, blank ones can be downloaded and printed from the school board's website? Student will not be allowed to participate or go on the excursion/field trip if we do not have their parents'/guardians' signed permission.

Hats and Caps

Baseball caps, bandanas and other headwear are not to be worn inside the school.

Lockers

Students are responsible for the care and cleanliness of their lockers. Graffiti and inappropriate pictures are not permitted in the lockers. Students are not allowed to change their locker or lock without permission from the vice-principal. Please note that lockers are school property, and they can be opened by school administrators with or without the student's consent.

Lost and Found

Articles found in the school are placed in the Lost and Found boxes (in guidance area). Please note that all "lost and found" articles will be disposed of if they are not claimed within a reasonable period of time.

Medication

All medication is to be given to the front office staff for control and administration, except for students with anaphylaxis and asthma who have received training by a physician, nurse, parent or guardian and have written consent of their parent/guardian to carry the medication. Medication kept at the office must be in a clearly marked, original container. It will be kept in a safe and secure location until it is time to administer the medication. Parents/guardians must obtain and complete all necessary forms. It is also the responsibility of the parent/guardian to inform the school when a student is self-administering medication and the Self-Administration of Medication form must be completed and returned to the main office.

School Property

It is the student's responsibility to ensure that all items loaned to them by the school are well taken care of during the school year. Textbooks, musical instruments and computer equipment, among other things, are costly to repair and/or replace. Students will be asked to pay for damages or the replacement cost of these items in the event that they are damaged or lost. Students are also reminded that vandalism of any kind will not be tolerated.

School Visitors

Visitors to the school must report to the main office, where they will be required to sign in and receive a visitor's pass. Visitors are not allowed to attend classes, nor to wander the halls or cafeteria.

Shadowing

Individuals who attend other schools and who are interested in pursuing an education at Marymount Academy are welcome to accompany or “shadow” a student for the day. Students who wish to visit Marymount Academy must seek permission from the principal or vice-principal and must have signed permission from their parents/guardians. Students must be in grade 6 or higher.

Permission forms are available at the main office. Specific designated Shadow Days are indicated on the school’s monthly calendar. There is a limited number of Shadow Day visitors allowed on these days.

Smoking

Our priority at Marymount Academy is to provide a school environment that promotes healthy lifestyle choices for all of our students. Smoking is not permitted on school property. Tobacco products, lighters, and e-cigarettes are not permitted on school property or field trips.

Student Parking

The student parking lot is located at the side of the school (north side). Students must register their vehicle at the main office. A parking pass will be issued and must be displayed on the dashboard. The front parking lot is reserved for school board personnel, visitors and Marymount teachers and staff.

Study Periods

Grade 12 students who qualify for a study period must remain in the cafeteria, the library, the grade 12 gallery or another designated area during this time. This will help minimize classroom disruptions. Students are urged to use their study period time wisely and must be in full uniform. Students on a study period must attend assemblies or special functions.

Textbooks

Textbooks are loaned to students for the duration of the semester. Textbooks or library books must be cared for and returned in good condition. Students will be responsible for the cost of repair or replacement if either is required. Diplomas, transcripts, etc. will not be issue to students if there are any outstanding textbooks, library books or late fees.

Valuables

Students are asked not to bring items of value to school. Do not leave money or other valuables in your locker or change room. The school is not responsible for lost or stolen items. Students are highly encouraged to use a combination lock in the gym change room to secure items while participating in physical education activities.

**VTRA – Fair Notice to Parents/Guardians re:
Violence Threat Risk Assessment Process**

At Marymount and in all of the Sudbury Catholic District School Board's schools, any violence or harassment of any kind is taken very seriously. As a result, when a student's behaviour poses a serious threat to her safety or the safety of others, the Board reserves the right to activate a Violence Threat Risk Assessment (VTRA).

When a VTRA is activated, parents/guardians will be notified. If a concern for safety still exists, and parents/guardians cannot be reached or if they choose not to provide consent to share information, the threat assessment process will proceed. In sharing personal information with community partners and agencies, each individual's right to privacy will be balanced with the need to ensure the safety of all. Student safety is our first priority.

If you have any questions regarding the evaluation process for risk and threats, please refer to our Board's website for more detailed information at <http://www.scdsb.edu.on.ca> and/or contact the principal.

**Student Possession and Use of Cell Phones/iPods/MP3s
and Other Electronic Devices**

Standards:

- This school policy is meant to help maintain an educational focus in the classroom and other study areas and respect the needs of our students to have reasonable access to their phones and other electronic devices. We acknowledge that this is the age of instant communication, but it is also important to maintain a proper and safe learning environment for students, faculty and the educational process.
- Cell phones, pagers, iPods, MP3s or other electronic devices are not to be used in the classrooms unless authorized by the classroom teacher. Cell phones and other devices are to be turned off or placed on silent/vibrate mode during class. Students are strongly encouraged not to store these items in their pockets or other clothing as some of the electronic devices emit radiation.
- Students are cautioned: "Cell phone radiation is transmitted by the antenna and the circuitry inside the handset by sending out electromagnetic waves (radio frequency radiation) to transmit their signal. The radiation emitted by the antenna is not directional, which means that it propagates in all directions more or less equally. Factors such as the type of digital signal coding in the network, the antenna design and its position relative to the body/head determine how much radiation is absorbed by a user." (Environmental Working Group).
- Cell phones, pagers, iPods, MP3s or other electronic devices may be used before and after school, as well as during lunch periods in the **main lobby of the school, hallway, and cafeteria or outside only**. They may be used

in the classroom with permission and authorization of the classroom teacher solely for educational purposes.

- Unauthorized use of these devices in the school is a violation of school policy. Violators of the policy will be subject to disciplinary action: Confiscation of the device until the end of the day for the first offence. Subsequent offences: parents will be contacted and, for repeated offences, will be asked to come to the school to collect the electronic device. Persistent opposition to authority in this matter could result in a suspension.
- In an emergency situation, an administrator or faculty member can give a student permission to make a call from a cell phone.
- Parents must continue to call the office for any emergency situations. We will then contact your daughter.
- The use of cameras/camera phones is strictly **forbidden** in private areas such as the change room, washrooms and in all other areas of the school such as hallways classrooms, gym, lunchroom and office at any time. Such use may also be in violation of the criminal code of Canada.

SCHOOL BUS DISCIPLINE POLICY GUIDELINES

For all inquiries regarding routes, schedules and services, please contact the Transportation Consortium at 705-521-1234. Students who have the opportunity to ride school buses may do so as long as they display behaviour that is reasonable and safe.

The responsibility for student supervision will begin when the student boards the bus in the morning and it continues until the student leaves the bus at the end of the day.

NOTE: As stated in the Ontario School Code of Conduct, the bus is an extension of the school day. The bus driver reports to the principal and has the authority to assign seats. School Board policies will be strictly enforced on the school bus, as well as at school. The school principal is responsible for determining consequences for misbehaviour and for the reinstatement of bus privileges for the offending students should a suspension become necessary. All consequences are at the discretion of the principal. Suspensions can apply to all bus routes; morning and afternoon and bus privileges may or may not be reinstated.

The progressive discipline approach will be used in determining consequences for the following bus behaviour offences:

ADVANCED PLACEMENT AT MARYMOUNT

The development of skills and acquisitions of knowledge in high school years can provide a powerful opportunity to help students progress to higher levels of learning. Through AP courses, students who want to achieve at the level can earn advanced placement and university credits.

At Marymount Academy, Pre-AP courses are the pathway for students interested in taking an AP course at the senior level and ultimately, prepare students to successfully pass the approved College Board exam. AP courses engage students to pursue a subject area in a more in depth and meaningful manner. Since the students will have already completed first year university level course material, students' chances of acceptance at colleges and universities are increased.

Admission and Requirements:

Students will be given the opportunity to apply for admission into the Marymount AP program courses. Classes are limited in number and in size, therefore students admitted into the AP program will be chosen amongst those who applied by the AP faculty committee based on their academic performance, learning skills and attendance. These students will then have the opportunity to participate in the AP program by taking Pre-AP and AP courses. The AP faculty committee will review and re-evaluate each student's performance and ability to continue in the program annually.

As spaces are limited, students who do not attend their AP classes regularly and/or complete assignments promptly and /or maintain an 80% average in the subject area, will be removed from the AP course. Their spot will then be offered to another student.

Assessment and Evaluation:

A student's course evaluation (on her Ontario Report Card) will reflect the Ontario Curriculum Expectations for that grade level. Each student will receive a separate evaluation report on her achievement in the overall Pre-AP/AP course.

REACH AHEAD AT MARYMOUNT

Grade 7 and 8 students who are working above grade level in Math, English and French are invited to participate in the Reach Ahead program. The selection process involves a variety of assessments and data sources. Program availability can be affected by the secondary panel's timetables and class sizes. Grade 8 students reaching ahead into grade 9 subjects will receive a separate evaluation report. Credits will appear on the student transcript in grade 9 the following school year.
