**WHAT TO DO IF YOU HAVE A PARENTAL CONCERN**

It is our belief that a close working relationship among the parents in education, the home, the school, and the church is essential to foster and maintain a Christian community. While encouraging each partner to carry out his or her proper role in this school community, it is recognized that differences of opinion and problems may arise from time to time.

**Complaint and Teacher**

Handle the problem as soon as possible. If possible, call the school and arrange a personal interview with the teacher to discuss the problem and attempt to resolve the matter at this stage.

**Complaint and Principal**

The second contact should be to involve the Principal directly if the two parties fail to resolve the matter.

**Complaint and Superintendent**

The third contact should be the Superintendent of School Effectiveness responsible for your school.

**Complaint and the Director**

Failing settlement of the complaint at the Superintendent’s level, the fourth contact should be to involve the Director of Education.

**Appeal to the Board**

A complainant may take the matter to the Board if the problem is not resolved satisfactorily at the Director’s level.
