SUMMER ELEARNING

Get ahead or create more flexibility in your timetable next year by taking an eLearning course with Sudbury Catholic District School Board this summer! Courses run from July 5th to August 2nd, which still gives you plenty of time to relax all August long! Spaces fill up fast, so save your seat by registering with your Guidance Counsellor today!

What is eLearning?

Not sure what eLearning is? Worried that you’ve never taken an eLearning course before?

When you take a course through eLearning, you do all of your learning and assignments in a virtual classroom on a computer, anywhere you have internet access. You still have a teacher to guide you, answer your questions and help you get through the material and assignments!

How To Register:

Step 1: Talk with your Guidance Counsellor and Parents

Step 2: Complete the registration form and take it to your guidance counsellor.

Registrations due June 24th by 4pm

Step 3: You will receive a welcome email with login and orientation information on June 29th.

Step 4: Attend the mandatory in-class orientation session on Tuesday, July 5th and Wednesday July 6th from 9-11am at St. Albert Adult Education Centre (504 St. Raphael Street)

Step 5: Start your summer elearning class as soon as the orientation session is finished.
